# TUFTEX Integrity

## Earth-Friendly

TUFTEX Balloons pledges to have the softest environmental footprint possible. Our balloons are made from 100% natural latex which breaks down when exposed to the elements of nature. We advocate smart balloon practices: keep balloons secured to a weight, do not release into the air, and properly dispose of deflated or popped balloons. Please see our website, [www.maplecityrubber.com/sustainability](http://www.maplecityrubber.com/sustainability), for our entire environmental statement.

### Shelf Life

TUFTEX Balloons are made with the highest quality latex and have a shelf life of one year or longer if kept in proper conditions.

To ensure maximum shelf life, we recommend:

- Always rotate stock — first in, first out
- Store in a cool, dry, well-ventilated area
- Optimal temperature range: 68° -72° F
- Keep away from all heat and lighting sources

### Safety

TUFTEX Balloons conform to/pass the following Government Safety Standards:

- US CPSIA Standards
- US ASTM F963 Standards
- US FHSA Standards
- Canadian CCPSA Standards
- EU Safety of Toys Regulations

Children under eight (8) years of age can choke or suffocate on the packaging and uninflated or broken balloons.
